[Without Inflation, the Status Quo Collapses; With Hot Inflation, It Also Collapses](#)

07/13/2023 • Power & Market • Charles Hugh Smith

Many others have explained why inflation is part-and-parcel of the status quo. In the simplest terms, where's why inflation is essential: 1. Our economy and financial system are totally dependent on...

[Our No-Win "Kobayashi Maru" Economy](#)

06/24/2022 • Power & Market • Charles Hugh Smith

It's time to reprogram the conditions of the economy to serve the many rather than the few. Star Trek's Kobayashi Maru training exercise tests officer candidates' response to a no-win scenario: any...

Venezuela's New Cryptocurrency Is not Really "Backed by Oil"

03/09/2018 • Mises Wire • Charles Hugh Smith

If a currency can't be converted on demand into the underlying commodity, it's not "backed" by that commodity.
