Lawyers Present Evidence To Grand Jury That Pandemic Is Used For World Domination

A group of lawyers, experts and scientists present the evidence before a Grand Jury that the COVID-19 pandemic is a criminal operation, with the purpose of installing a world dictatorship. Among the expert witnesses are World Health Organization advisors, a United Nations official, members of British Intelligence Services, former officers from the U.S. and U.K. military, an expert from the Center for Disease Control, a former vice-president from Pfizer, a Nobel prize winner for medicine, and many other high-level witnesses.

PSYCHOLOGICAL MANIPULATION

The experts explain how mind control, psychological manipulation and hypnosis techniques are used to control the opinions and behavior of citizens worldwide. The information is backed up with official documents from governments and the named organizations.

Below is an example of an official document from the British government that exposes an official strategy for psychologically manipulating the populace:

THE ALLEGATION

The allegation is that the world's governments have come under the controlling influence of criminal power structures, who colluded to stage a pandemic that they had been planning for years. To this end, they deliberately created mass panic through false statements of fact and a socially engineered psychological operation whose messages they conveyed through the corporate media. The purpose of this mass panic was to persuade the population to agree to experimental so-called "vaccinations" (which they are not). These have been proven to be neither effective nor safe, but extremely dangerous and even lethal.

GRAND JURY INVESTIGATION

The aim of the investigation is to serve as a model proceeding **to secure indictments** against some of the criminally and civilly responsible figureheads of these Crimes Against Humanity. Secondly the purpose is to present a complete picture of what we are facing, including the geopolitical and historical backdrop, our aim is **to create awareness** about the factual collapse of the current hijacked system and its institutions, and, as a consequence, awareness of

- the necessity of the people themselves retaking their sovereignty,
- the necessity of first stopping the measures by refusing to comply,
- and the necessity of jump-starting the people's own new systems of health care, education, economics and judiciary, so that democracy and the rule of law on the basis of our Constitutions will be re-established.

The purpose is to secure indictments against the figureheads, and to create awareness about the necessity to stop complying with the criminal system.

DAY 1

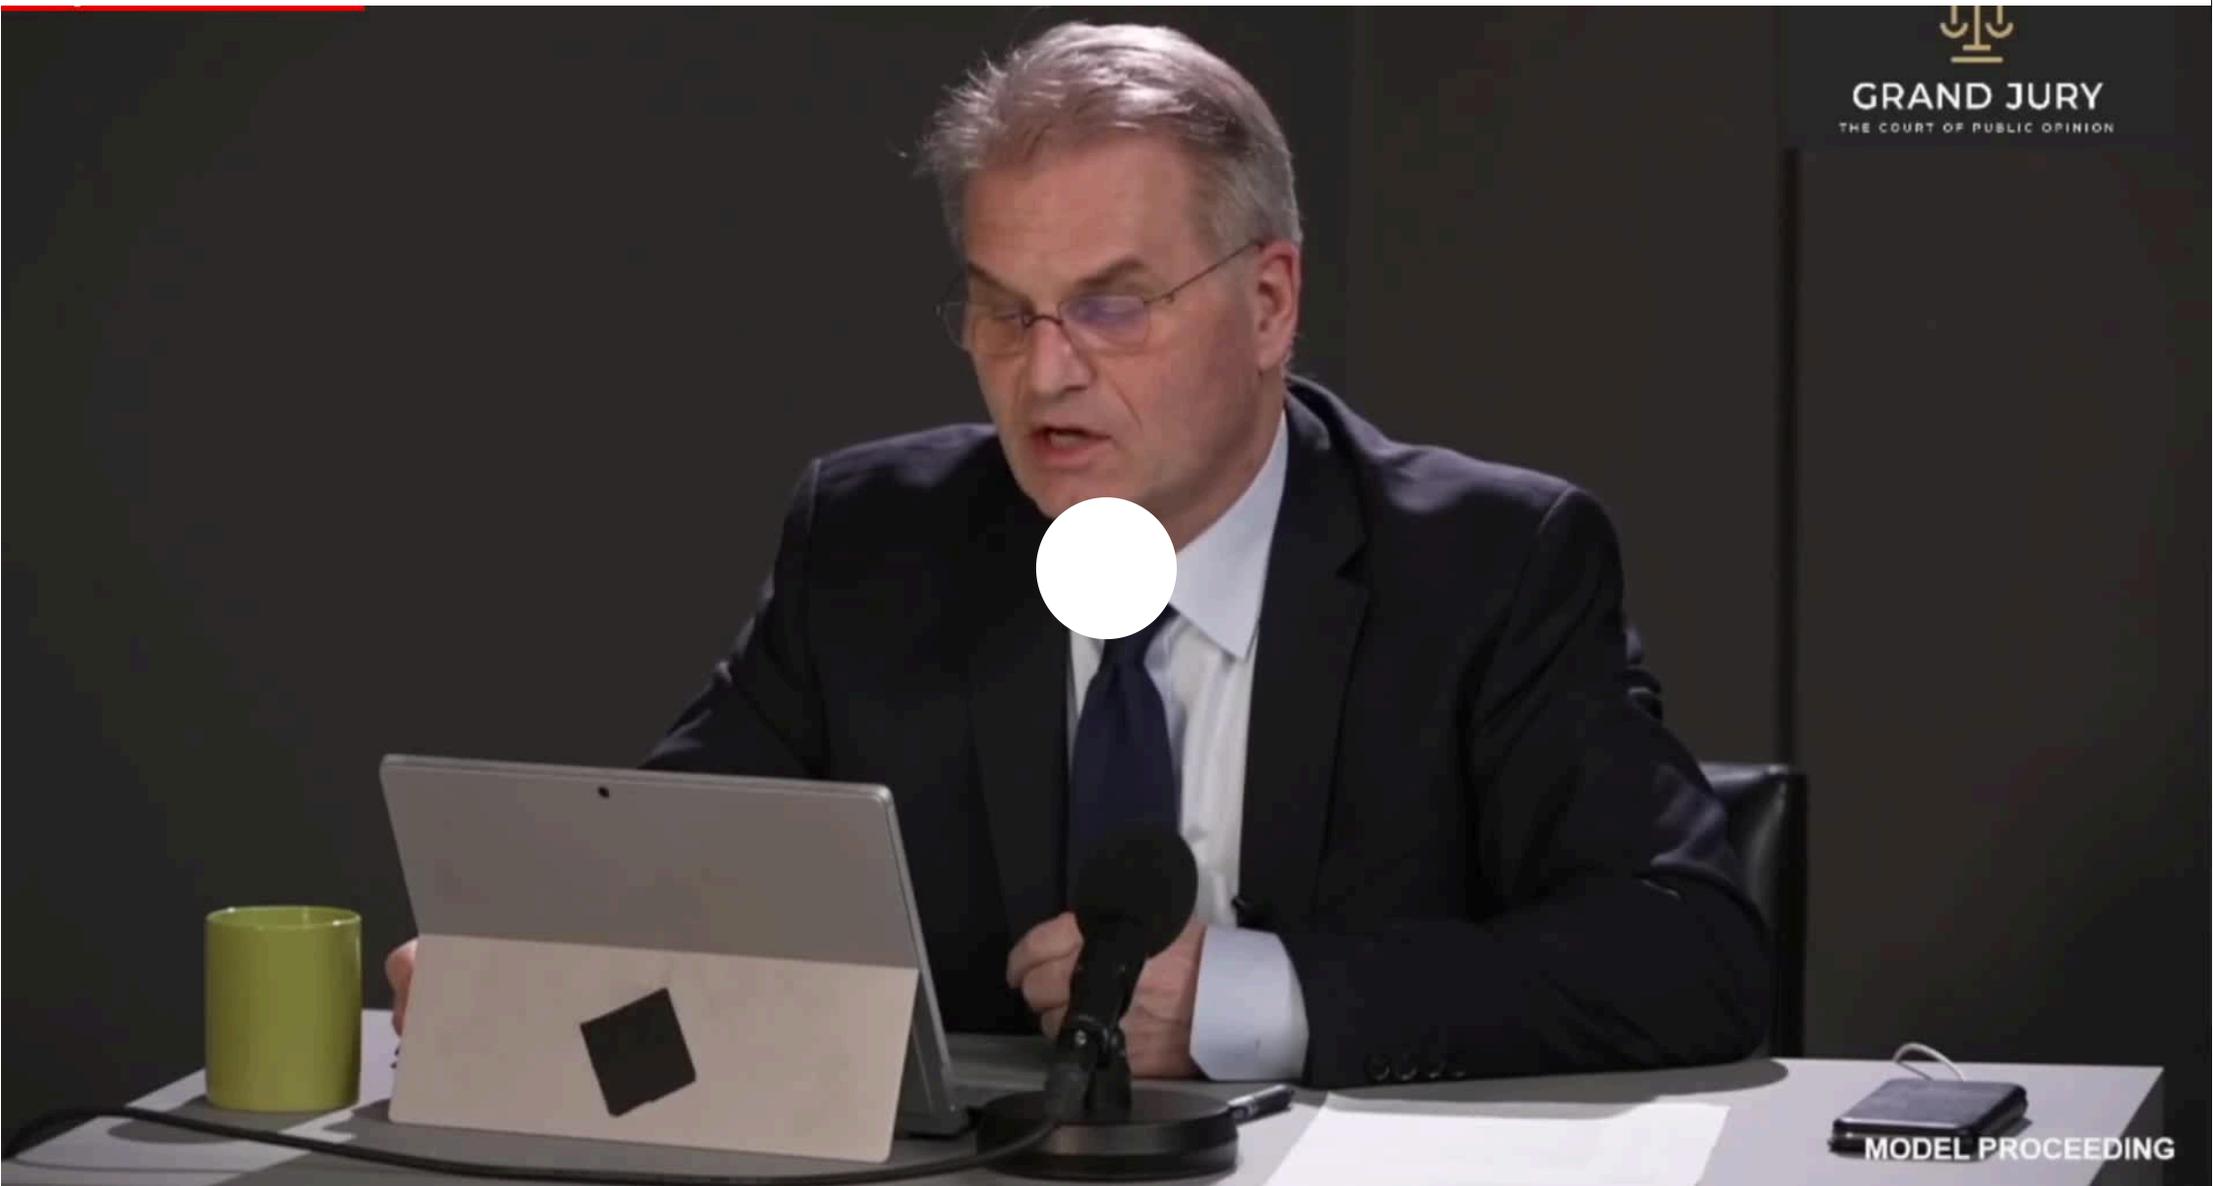

OPENING STATEMENTS

During the opening statements Dr. Reiner Fuellmich explains the four sets of facts concerning these crimes against humanity, and introduces the experts who will be presenting the evidence.

GRAND JURY
THE COURT OF PUBLIC OPINION

MODEL PROCEEDING

THE FOUR SETS OF FACTS

1

There is no corona pandemic - only a PCR-test pandemic, fueled by an elaborate psychological operation designed to create a constant state of panic among the world population. This agenda has been long planned - its ultimately unsuccessful precursor was the swine flu 12 years ago - and it was cooked up by a group of super rich psychopathic and sociopathic people who hate and fear people at the same time, have no empathy and are driven by the desire to gain full control over all of us, the people of the world.

They are using our governments and the mainstream media - both of which they literally own - to convey their panic propaganda 24/7.

2

The virus itself can be treated safely and effectively with vitamins C, D, zinc, etc., and also with off-label use of ivermectin, hydroxychloroquine, etc. But all of these (not 'alternative' methods of treatment - but real methods of treatment) were banned by those using the guise of this pandemic to push their ultimate goal, which is to get everyone to get the (as we will show in this proceeding) not only ineffective but highly dangerous - yes, lethal - experimental injections.

3

The same people who made the swine flu, which ultimately turned out to be a mild flu, into a pandemic twelve years ago (by first changing the definition of what a pandemic is and then creating panic) created this Corona pandemic. The swine flu was their first real attempt at creating a pandemic. And just as one of its purposes then was to divert our attention from the blatantly fraudulent activities of their financial industry (more aptly to be called the financial mafia), which had become visible through the Lehman crisis - this is also one of their major purposes of this corona pandemic now. Had we taken a closer look then during the Lehman crisis, instead of blindly believing our government's promises that the perpetrators of those financial crimes would be held liable, we would have seen then that they had been looting and plundering our public coffers for decades, and we would have seen that our governments are not our governments anymore. Rather, they have been taken over by the other side through their main platform, the World Economic Forum, which had started to create their own global leaders through their Young Global Leaders Program, as early as 1992; two of the first graduates being Angela Merkel and Bill Gates. And we would have understood already then, what we will show you now through this proceeding.

These financial crimes went unchallenged by our politicians because they are aiding and abetting those who commit them - and are profiting from these crimes.

4

Ultimately, however, we will show to you, the jury, that the other side's main purpose is to **gain full and complete control over all of us**. This involves the finalization of their looting and plundering by deliberately destroying our small and medium sized businesses, retail businesses, hotels and restaurants, so that platforms such as Amazon can take over.

**Governments have been taken over by the World
Economic Forum. Their goal is to gain complete
control over all of us.**

This involves population control, which, in their view, requires both a massive reduction of the population and manipulating the DNA of the remaining population with the help, for example, of mRNA experimental injections. But it also requires, in their view, the deliberate destruction of democracy, of the rule of law, and of our Constitutions through chaos, so that ultimately we will agree to 1) losing our national and cultural identities and instead accepting a one world government under the UN (United Nations), which is now under the full control of these players and their World Economic Forum; 2) digital passports, under which each and every move is monitored and controlled; and 3) one digital currency, which we will only be able to receive from a one world bank - theirs, of course.

At the conclusion of the case, and after you have heard all the evidence, we are confident that you will recommend indictments against all six putative figurehead defendants:

Christian Drosten of Germany, Anthony Fauci of the United States, Tedros of the World Health Organization, Bill Gates, BlackRock and Pfizer.

Ladies and gentlemen, this case is about a long-planned agenda of a group of ultra-rich people and their financial mafia based in the city of London and on Wall Street, to use a pseudo-pandemic as the guise behind which - while our attention is on the pandemic - they seek to complete their decades-long efforts to gain full and complete control over all of us.

There are numerous platforms on which this group has been meeting and discussing this agenda. But the most important one is that of the World Economic Forum, which was invented in 1971 by then 33-year-old Klaus Schwab. Its members are 1000 global corporations with at least \$5 billion in annual sales, as well as

politicians, media representatives, scientists, and other so-called high-profile personalities. They meet once a year in Davos, but there are other such meetings, for example, in China.

Since 1992, they have created and presented to us their own group of political leaders for the world.

Among the first graduates, as I mentioned before, were Angela Merkel and Bill Gates in 1992. Others are Sebastian Kurz, (until recently) Chancellor of Austria; Justin Trudeau, Prime Minister of Canada; Jacinda Ardern, Prime Minister of New Zealand; Emmanuel Macron, President of France, and many, many more.

This group, which is now called the Davos Clique, is openly (the publication 'The Great Reset' by Klaus Schwab is one of the most important sources for this information) promoting the shifting of the world's assets to this group of super rich people, so that in 2030, ordinary people will 'own nothing and be happy', as it explicitly states there, under the One World Government, with a digital currency given to us by their One World Bank.

The Davos Clique promotes the shifting of the world's assets to this group of super rich people, so that in 2030 ordinary people will "own nothing and be happy". They also promote reduction of the world population and manipulation of the human DNA. Ultimately they want a world government under the United Nations.

They're also openly promoting, in close cooperation with people like the putative defendant Bill Gates, the Rockefellers and others, the drastic reduction of the world's population and the manipulation of the remaining population's DNA all the way into transhumanism.

Their most important goal is, however, the controlled (by them, of course) implosion of the completely looted financial system and simultaneous introduction of a digital currency issued by a one world bank (controlled by them), and just as important, the introduction of a world government under the UN, which came under their full control in 2019.

For this purpose, they have made concrete plans for this corona pandemic since at least the spring of 2001 - with Operation Dark Winter, followed by another such rehearsal, the Lockstep exercise by the Rockefeller Foundation in 2010. And finally, Event 201 in October of 2019 in New York, sponsored by the Johns Hopkins Centre for Health Security, the Rockefeller Foundation, the World Economic Forum and the Bill and Melinda Gates Foundation.

Members of the jury, we will call a number of different highly renowned expert witnesses from all walks of science, but also witnesses who will testify to the damage that they suffered as a result of getting the experimental injections in this trial.

After our opening statements, we will start off, in a week from now, by calling:

- a former member of the US military, James Bush, who participated in Operation Dark Winter in 2001
- former members of the British Intelligence Services Brian Gerrish and Alex Thompson
- investigative journalists Whitney Webb and Matthew Ehret
- former World Health Organization employees and advisors, Dr. Sylvia Behrend and Dr. Astrid Stuckelberger

They will explain to us the historical and geopolitical background of what we are confronted with. And they will show us how this agenda has been planned for at least 20 years, starting with Operation Dark Winter in 2001 and some ten years later, the Lockstep scenario by the Rockefeller Foundation, ending with the dress rehearsal, Event 201, in October of 2019.

In the end, they will explain how, when there were no cases in which they needed to declare a public health emergency of international concern, they created cases by having defendant Drosten invent the story of asymptomatic infections (which don't exist) and how this PCR test can detect, through mass screening of perfectly healthy people, those who are infected. This is a lie, as we will show.

They falsely claimed how this PCR test can detect those who are infected - through mass screening of perfectly healthy people.

We will continue with the next group of witnesses:

- Dr Wolfgang Wodarg, an experienced lung specialist and former member of the German Bundestag and the Council of Europe, who managed to expose the other side's first attempt at a pandemic - the swine flu of twelve years ago - as a mild flu
- Professor Ulrike Kammerer, biologist from Wurzburg University
- Dr. Mike Yeadon, former Vice President of Pfizer
- Dr. Sylvia Behrend, Dr. Astrid Stuckelberger, Professor Dolores Cahill of Dublin University, Professor Antonietta Gatti from Italy, and Professor Berkholtz from Germany

These experts will explain to us what is behind the legend of the Wuhan wet market outbreak. They will show that the virus is no more dangerous than the common flu; that the PCR test cannot tell us anything about infections - but is the only basis for all anti-corona measures, including the ultimate measure, the so-called "vaccines"; and that the so-called vaccines are not only ineffective but extremely dangerous.

There was no excess mortality anywhere until the experimental injections started.

Regardless of the natural or manmade origin of the virus, our immune system is perfectly well capable of dealing with the virus, as evidenced by an infection fatality rate of between 0.14 and 0.15, or even less, percent. There was no excess mortality anywhere until the experimental injections started. There were not even any cases in early 2020.

However, they needed cases in order to declare a public health emergency of international concern, as this was the only basis on which it would be possible (according to their own made-up rules, which all governments of the member States of the World Health Organization had agreed to) to use untested new drugs - the experimental injections - on people. After a first failed attempt at announcing this public health emergency of international concern because there were no cases, they tried again in late January of 2020 after they had created cases with the help of that now infamous Drosten PCR test and announced this public health emergency of international concern two weeks later.

**According to the experts these cases were almost
all false positive test results.**

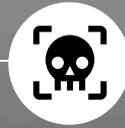

The next group of experts are Dr. Thomas Binder from Switzerland, Dr. Brian Ardis from Texas, Dr. Shankara Chetty from South Africa, Dr. Wolfgang Wordarg from Germany, and John O'Looney, undertaker from England.

These experts will tell us how, right from the start, we were witnessing a deliberate, completely senseless banning of normal, effective and safe methods of treatment of respiratory diseases. And instead, a mandate of treatments that must now be considered serious medical malpractice: intubation, remdesivir, and midazolam.

John O'Looney will explain how he, first believing the other side's allegations about a pandemic, even helped the BBC in pushing their panic propaganda until he realized how, under the guise of the pandemic, people were intentionally being killed.

EYE-WITNESS

Mass Murder By Government

We will then call the next group of experts, including:

- Professor Alexandra Henrion-Caude from France
- Dr. Mike Yeadon, former Pfizer vice president
- Professor Sucharit Bhakdi from Germany

- Dr. Vanessa Schmidt-Kruger from Germany
- Dr. Robert Malone, inventor of the mRNA vaccine technique from the US
- Professor Arne Burkhardt, pathologist from Germany

They will show us that, while the virus did not cause any excess mortality, and has a survival rate of 99.97%, the shots are now killing people and have been causing excess mortality of up to 40% since September as a result of poisoning with a spike protein and of shutting off our immune system.

Dr. Mike Yeadon will tell us how a group of scientists has even found concrete evidence that the makers of the vaccines are experimenting with lethal dosages, to see how the lethal side effects can be manipulated in such a way that the population will not immediately understand what is happening.

The next group of experts will explain to us how it could have come to this. This group includes Professor Mattias Desmet from Belgium, Dr. Ariane Bilheran from France, Meredith Miller from the US, Professor Harald Walach from Germany, and Stefan Cohen, employee of the German Department of the Interior.

These experts will walk us through how the other side, after having established the public health emergency of international concern, in quick succession introduced us to the lockdown, the nonsensical and dangerous mask mandates and the very harmful, both physically and psychologically, social distancing, until they arrived at their ultimate goal - the ineffective, dangerous, and even lethal injections.

**All this was possible through a gigantic
psychological operation through the mainstream
media and our politicians.**

The next group of experts includes Leslie Manukian, former investment banker from the US; Naomi Wolfe, journalist and author from the US; Ernst Wolff, German economist; Professor Christian Kreiss, German economist; Professor Holger Reichel, German economist; and Marcus Kroll, German economist.

This part of the proceedings will have these experts explain to us in great detail about the intentional destruction of our economies and how the other side is working on a controlled crash of the financial system, both to get away with the crimes that they have already committed over the past decades - looting and plundering our public coffers until there's nothing left - and to introduce a one world bank and digital currency plus digital passport.

The final group of experts include Matthew Ehret, an investigative journalist from Canada, Vera Sharav, a Holocaust survivor, Ilana Rachel Daniel from Israel, Rabbi Smith from New York, Patrick Wood, an expert on technocracy from the US, and Avital Livny, a journalist from Israel.

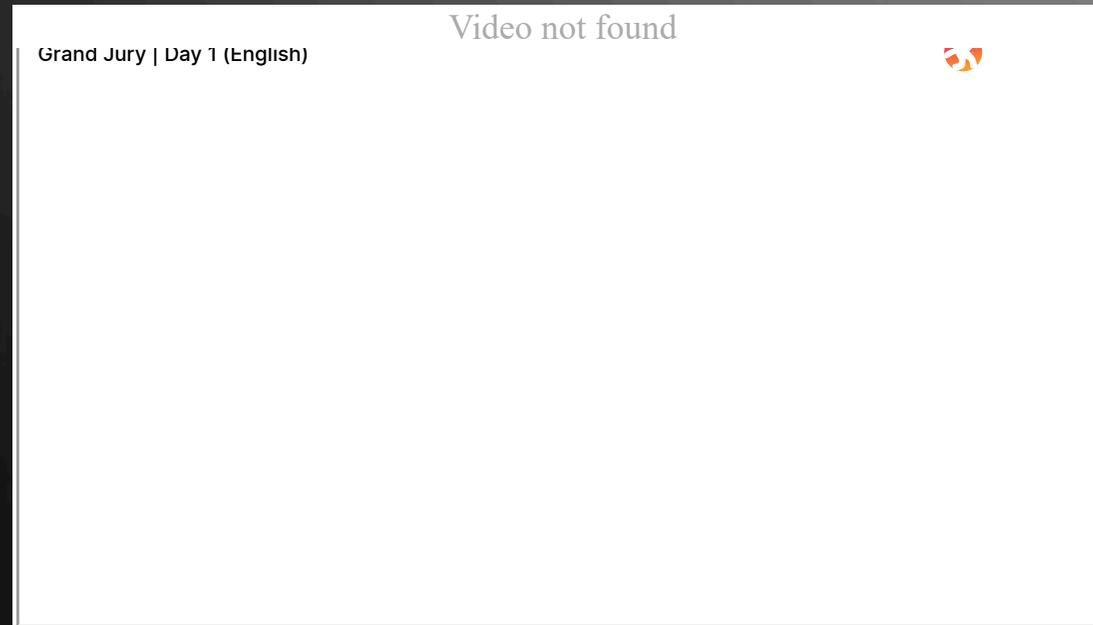

**An important part of the agenda has to do with
reducing the world's population.**

This final part of the investigation will have these experts tell us how an important part of the other side's agenda has to do with population control - or rather, eugenics. After World War II, eugenics had a bad name, according to Julian Huxley, who founded the UNESCO. But he and the very large group of people who supported the idea of eugenics would soon be able to continue with their efforts in this direction, he openly explained. The parallels between what happened then - 80 years ago - and what is happening now shall not be ignored. Vera Sharaf will remind us of this.

After you have heard all the evidence, we have no doubt that you will recommend indictments against all our putative defendants for crimes against humanity.

DAY 2

Historical and Geopolitical Backdrop

Grand Jury | Day 2 (English)

DAY 2 SUMMARY

THE AGENDA FOR WORLD DOMINATION

Former officer of British Intelligence Services Alex Thompson explains how the City of London is the greatest financial power in the world, whose goal has always been world domination. These British elite extend their hand of influence and control into the governments, health agencies, media and industries of every nation

in the world.

Their main strategy is mind control, as they aim to completely dominate what the world population thinks, believes and does.

Former advisors to the World Health Organization and the United Nations reveal how the WHO has been set up as an effective one world government. All they need to do is declare a public health emergency of international concern, and they can seize all rights and freedoms from the entire world population. Such an emergency can easily be fabricated using fraudulent diagnostics, like the completely unreliable PCR test which replaces true medical diagnosis.

The WHO is entirely run by private entities, meaning that private persons are now able to rule the whole world, through the WHO, effectively abolishing every and all principles of democracy.

A former officer from the British Royal Navy and a former government advisor at the Department of Health for the UK government reveal documents that show how psychological techniques are used to hypnotize the population and create fear, in order to change their behavior. They also show how financial entities from the City of London send 'change agents' into governments, media, education, and health agencies around the world, to establish their rule, through the psychological manipulation.

All this is part of a plan for world domination, which has always been at the heart of the City of London, or the British elite. They collaborate with other elite groups, from Germany, Italy, etc. to accomplish their goals.

Ultimately the agenda is to use the imposed injections to change the human DNA and create a new model of humans, that will obey perfectly.
