Donation Drive: Global Research Is Committed to the "Unspoken Truth"

In this article I provide extracts from my book *No Worries No Virus*. The book details:

- comprehensive evidence of the Covid-19 hoax;
- evidence the pandemic situation was planned with a purpose;
- analysis indicating the Covid-19 death numbers are fraudulent;
- flawed modelling and false case numbers used to justify world lockdown;
- the fraudulent Covid-19 PCR test used to create false case numbers;
- technical analysis and evidence showing that a Covid-19 virus causing disease simply does not exist (no evidence of being isolated, ever);
- the work of Dr Stefan Lanka and other experts demonstrating that pathogenic viruses causing disease simply do not exist – virology took a wrong turn
- the truth about relevant world events in banking, politics, and war between 1913 to 2019 that help one gain a deeper realisation of the agenda behind the Covid-19 world lockdown;
- analysis of the World Economic Forum technocratic reset agenda.

Is there a reason some people can see through the fake pandemic and fake news, but most cannot?

Covid-19 was a fulcrum event, it created a mental split. There are those that fully accepted the government narrative, restrictions, and wore the masks proudly, which, by the way, are a masonic symbol of slavery; and there are those more aware people that could see for themselves what was really happening. Millions of people worldwide have seen through the deception.

However, for the most part, **those people that could see the truth couldn't convince most other people of that truth no matter how hard they tried**, and those believing the government narrative couldn't convince the 'conspiracy theorists' of their truth no matter hard they tried.

A friend sent me this video titled 'Mask Wearer versus Non-Mask Wearer'. The video exemplifies in a comedic way the very noticeable split in families and in wider society that was induced by the Covid 'situation'.

Comedy - Mask Wearer versus Non-Mask Wearer

It seemed like an invisible mental barrier manifested itself. Why could the relative few people see through the Covid-19 fake pandemic so clearly amidst the mass insanity around them? **and why could most of the people not see the lies? Perhaps this is all a test.**

Rather than submitting to lies and technocratic slavery, perhaps it is how we face and deal with lies and evil that counts. Whatever the general outcome in wider society at the more important spiritual level we will have proved our integrity and worth. Whatever there has to be a reason why we are here. This is the last chance for those who refused to wake up after the lies of 911 and those who refused to wake up from corporate media fakery.

Note the following video of 911 in which building 7 is seen 'still standing' in the New York skyline even after the BBC news team had announced it had collapsed. The BBC news got their timing wrong and building 7 collapsed later from an obvious controlled demolition.

READ MORE: Life After COVID-19: Perspectives of the World Security

During the terrible events we see an instance where the media-matrix of pre-scripted news got their timing wrong. No tall building had ever collapsed like a deck of cards primarily due to fire but this is what the U.S. National Institute of Standards and Technology (NIST) have claimed.

911 - BBC reports WTC 7 Collapsed BEFORE it Collapsed

The fact that there is even a debate on whether this was a controlled demolition or not is mind boggling reality breakdown. When you mention building 7 nobody knows a single thing about it.

911 WTC - Building 7 collapses from an obvious controlled demolition

The Totalitarian Consciousness Directing the COVID Hoax

In March 2020, as the most of world grinded to a halt in the face of the Covid-19 scare, populations were simultaneously preached to by establishment media and corrupted politicians about the threat of impending death. A threat that was propagandised by the corporate-owned and government media with incomplete, pseudo-science, pressuring everyone to get the jab. The fact that most of the people of the world were simultaneously forced to 'stop', signalled that a major change in the world was being attempted. **As my book No Worries No Virus has described and evidenced, the Covid-19 fake pandemic was a cover for the freedom-killing agenda of the UN/Davos group, whilst bio-pharma corporations made vast corporate profits. The book also references the detailed analysis of Dr Stefan Lanka and other experts that have demonstrated pathogenic viruses causing disease simply do not exist.**

In our own life time we have lived under a corporate-communist political hierarchy, which, though purporting to be made of individual and autonomous nation states, is actually a one world government controlled by the world private banking cartel and its mega-corporations and its unelected institutional framework, including the United Nations, the World Health Organisation, the World Economic Forum, et al. This also includes the mega-corporate media who, at the launch of the pandemic, employed nothing less than trauma-based mind control to convince the world's population that they were all likely to die from Covid-19 unless they did exactly what the world government ordered and take an experimental vaccine. They then enact and encourage laws that allow society to become degraded, weak, easily controllable, and unable to perceive the nature of their material and spiritual captivity. The more that people comply with deceptions such as the 'scamdemic' or the 'lies of 911' the more they willingly or unwittingly participate in a godless ulterior agenda.

The 'New Normal' and the 'Old Normal' Are Not Normal

It seems like most of the world has been desperate to return to the 'normal' world we had in 2019 prior to the fake pandemic. However, the reality is that life pre-Covid-19 was far from normal. What exactly are people trying to get back to? What is normal about the following?

- virtually all nations of the world being stuck in unpayable debt (plus interest) owed to international privately-owned mega-banks that create money from nothing
- millions killed in pre-engineered wars – all wars are 'bankers wars' in which the real winners have been privately-owned mega-banks and governments (and thus the tax payer) have been placed into vast debt
- vastly excessive consumerism and hours stuck in traffic in order to participate in the "9 to 5 hamster wheel" to pay off the mortgage (mortgage is the French word for 'death grip', by the way)
- an education system that indoctrinates everyone to become cogs in the system machinery of the corporate-owned financial matrix
- mindless TV programmes designed to keep people 'programmed' and dumbed down
- mega-corporations polluting the Earth (as differentiated from the bogus UN 'manmade' 'cowmade' climate change narrative)
- genetically modified foods, harmful herbicides and pesticides, toxins in the food and water supply, toxic pharmaceuticals and vaccines
- internet censorship, corporate gatekeepers of the media

Then in the midst of a fake 'Covid-19' pandemic', we were expected to believe that this one world government is suddenly concerned for the lives and health of people threatened by a so-called killer virus. Though individual politicians have been replaced by others, the same system of government has continued.

All this disconnects us from being our true selves. We need a better paradigm, but obviously not the technocratic 'new normal' paradigm the corporate-communist WEF Davos group have attempted to introduce to keep us under tabs. It is time to leave it all behind, both the new and the old normal. Will you be monitored and masked in the next pandemic or in the proposed technocratic system, where each compliance sucks your energy into their system? Unlock yourself from the mental prison of corporate media propaganda.

Our mental reality creates our physical reality. That is why it is so important to see the truth. If we live in mental fear that will be our physical reality. When you see through the deceptions and manipulations, your mental reality is cleansed. You are set free from delusion, and the doors and possibilities for a better future can be opened.

Thus, deceptions, such as the Covid-19 pandemic, the lies of 911, or 'manmade climate change due to CO2', could be perceived as a challenge for us all. We can choose to either be a slave to the lie, or alternatively, to create and co-create a better reality based on truth. This may all be a spiritual test where everyone has a role to play. Without the test there would be no battle ground where the righteous ones can prove themselves. This may be all a test to choose one side or the other.
