

Science & Research

There are thousands of scientific studies and research papers showing the biological effects of electromagnetic and microwave radiation on our health and the environment. Studies are still ongoing. The following websites give detailed information and links to many of these studies . . .

Regular updates of [Research on Wireless Radiation and Electromagnetic Fields](#) Joel M. Moskowitz, Ph.D.

Effects of Exposure to Electromagnetic Fields: Thirty years of research – Dr Henry Lai (2022)

<https://www.saferemr.com/2018/02/effects-of-exposure-to-electromagnetic.html?omnisendContactID=60db92aeb211cd7ebb0021bc>

The Oceania Radiofrequency Scientific Advisory Association Inc. ORSAA was formed in 2015 by a group of academics and researchers throughout Australia <https://www.orsaa.org/early-research-papers.html>

US Naval Research Institute (1970) 2,300 studies by the US Navy showing biological impacts of EMF:

<https://apps.dtic.mil/dtic/tr/fulltext/u2/750271.pdf>

A compilation of Scientific Studies on the effects of wireless microwave radiation and electromagnetic fields on the body – EMF Data <https://www.emfdata.org/en/studies>

In May 2016 A National Toxicology Program Study funded by US Government confirms RF radiation from mobile phones breaks DNA and cancer risk [Cell Phone Radiation Study](#) and [Microwave News](#)

March 2018 – **Expert Panel to US National Toxicology Program** on cell phone radiation concludes “**clear evidence**” of cancer <https://ehtrust.org/clear-evidence-of-cancer-concludes-the-expert-panel-to-the-us-national-toxicology-program-on-cell-phone-radiation-study-findings/>

June 2018 – Recent Research on Wifi Health Effects <https://www.saferemr.com/2015/09/recent-research-on-wifi-effects.html?spref=fb>

[Environmental Health Trust](#) – Science – *A comprehensive list of up to date studies and research*

[Emf-Portal.org](#) *An extensive literature database with an inventory of **28,391** publications and **6,359** summaries of individual scientific studies on the effects of electromagnetic fields*

[EMFacts Consultancy](#) – Papers & Publications

Research papers and up to date information

[Bioinitiative Report 2012](#)

References 1,800 reports showing biological effects of electromagnetic fields.

[Pall, ML. 2013.](#) – Electromagnetic fields act via activation of voltage-gated calcium channels to produce beneficial or adverse effects.

[Pall, ML. 2016](#) – Microwave frequency electromagnetic fields (EMFs) produce widespread neuropsychiatric effects including depression

[Pall, ML. 2018](#) – Wi-Fi is an important threat to human health

[Glaser naval medical microwave radiofrequency](#) 1972 onwards

[EMF Analysis](#) – Science

A comprehensive list of scientific studies, research and links.

[Stop Smart Meters UK](#) – Studies

Extensive list of studies of health effects of electromagnetic radiation and microwaves.

[Powerwatch UK](#) – Scientific papers

Comprehensive scientific information and research.

[CellPhoneTaskForce](#) – Epidemiological studies

Health effects of cell phones and cell towers – studies and papers.

[IEMFA International EMF Alliance](#) – Publications and Studies

How Big Wireless Made Us Think That Cell Phones Are Safe: A Special Investigation [Read Here](#)

[IDEA](#) – Irish Doctors Environmental Association 2005

Position paper on electromagnetic radiation.
